THE
PHILOSOPHY

Philipp Selva è sinonimo di stile e raffinata eleganza dove gusto ed innovazione non seguono la tendenza ma ne sono gli artefici. Passione, creatività e ricercatezza rivelano un lusso discreto. Collezioni e pezzi unici sono pensati e creati per dar forza ad uno stile di vita sofisticato, senza tralasciare il piacere ed il confort di vivere la casa giorno dopo giorno. Radici classiche e lavorazioni pregiate, proprie del nostro passato, avvolgono spazi e luoghi senza tempo.. Questa è la filosofia di Philipp Selva.

Phillip Selva is synonyms with style and understated elegance where taste and innovation don't follow the trend but rather are the creators of it. Passion, creativity and refinement reveal a quiet luxury. Collections and unique pieces combine to create a sophisticated lifestyle, never forgetting the pleasure and comfort of day to day living and home. Classical roots and refined workmanship , belonging to our past encompass timeless spaces and and places This is Philipp Selva's philosophy.
