La collezione presenta un' ampia gamma di accessori per il bagno i cui diversi stili si adattano facilmente ad ogni necessità.

Dettagliate fusioni e accurati manufatti che impreziosiscono e danno carattere agli arredi.

Questi prodotti fanno parte, insieme a diverse linee di lampade, complementi d'arredo, pomelli e maniglie, attrezzi per i camini, del catalogo Il Bronzetto, il marchio che offre la collezione da cinquant'anni prodotta in bottega e che raggruppa i prodotti adatti ad ogni ambiente.

Collocata nell'Oltrarno fiorentino, storico quartiere di botteghe artigiane, la nostra bottega è specializzata fin dal 1963 nella produzione di complementi d'arredo ed illuminazione in ottone e bronzo, in cui Simone, Pierfrancesco e il cugino Michelangelo ereditano dal padre Antonio Calcinai e da un'intera generazione di bronzisti fiorentini la conoscenza dei materiali e delle loro tecniche di lavorazione e realizzano con creatività e alta professionalità manufatti artigianali unici e di qualità, oggi apprezzati e venduti in tutto il mondo.

The collection offers a wide variety of bathroom accessories, whose different style mak them perfect for every space.

Detailed mergers and accurate artifacts that enrich and give character to the furniture.

Together with different lines of lightings fixtures, furnishings, bathroom accessories, fireplace tools, these products are parts of the catalogue of Il Bronzetto, the brand of our company which offers the collection produced for fifty years, products adaptable to every space.

Our workshop, in the heart of the Oltrarno of Florence, historical neighborhood filled with artisan workshops, since 1963 has been specialized in the creation of furnishings and lightings in brass and bronze. Simone, Pierfrancesco together with their cousin Michelangelo, inherit from their father Antonio Calcinai, and from the entire tradition of florentine bronze artisans, the knowledge of the different material and their use, shaping with creativity and expertise unique artisanal manufacture whose high quality makes them appreciated and sold world wide.
