CHELINI, EDITORI DI STILE

Creare mobili è un'arte, come è un'arte saper tramandare alle generazioni future l'esperienza che sin dal Rinascimento ha reso famose le botteghe artigiane fiorentine in tutto il mondo. Chelini dal 1898 propone mobili che conservano nel tempo questi valori. Il prodotto Chelini è il frutto di un accurato studio sulla modellistica, di una maniacale ricerca del dettaglio e di decorazioni e finiture sapientemente realizzate da abilissimi artigiani. Tutte queste sono ancora lavorazioni mai perdute, testimonianza autentica del lavoro di un team che sottolinea quanto un mobile possa essere non solo bello e utile ma anche un oggetto che ha un'anima e lo rende unico nel suo genere. Apprezzati per la straordinaria ricercatezza e per le inimitabili tecniche di lavorazione, le produzioni di Chelini godono di un riconosciuto prestigio internazionale. Dai grandi alberghi del Principato di Monaco come l'"Hotel De Paris" e l'"Hermitage" al "Palazzo Tornabuoni" di Firenze, dal celebre "Hotel Sacher" di Vienna al "San Clemente Palace" di Venezia e "L'Andana Hotel", gli interni realizzati da Chelini, come i singoli pezzi d'arredo rigorosamente prodotti rispettando stili e tecniche originarie, rappresentano la più concreta conferma di quanto per Chelini creare ambienti, mobili e complementi d'arredo sia veramente un'arte in cui creatività e tecniche applicate, tradizione e innovazione si bilanciano costantemente.

CHELINI, MASTERING THE STYLE

Creating a piece of furniture is simply an art. Handing it on from generation to generation is an art as well: this is what made Florence artistic laboratories well known all over the world from the very beginning of Renaissance. Chelini's been keeping up, with integrity, to these artistic values, making furniture since 1898. Chelini's design is made of an in-depth search and observation of styles, grasping for the finest details, decorations and finishing, then skillfully performed by the best artisans on the market. These kinds of handicrafts are very ancient and they haven't been lost along the way: that's why a piece of furniture is not simply useful or beautiful, but soulful. The preciousity of its style together with its expertise, cemented Chelini's prestigious reputation all around the globe. Hotel de Paris and Hermitage in Monaco, Palace Tornabuoni in Florence, San Clemente Palace and Andana Hotel in Venice, chose this company to decorate their interiors confirming Chelini as the company to be trusted when it comes to creating unique environment whose furniture and objects are artistically and ably assembled with creativity in a fluid balance of tradition and innovation.
